The staff and members of the Norwin Lodge #2313 B.P.O.E take precaution to safely handle and prepare foods served at the Lodge. However, persons with food allergies should be aware foods served may contain or have been prepared in an environment where:

wheat, soy, eggs, milk, peanuts, tree nuts, fish or shellfish have been present. Cross-contamination can occur.

Highly sensitive individuals should discuss the risks of allergen exposure with their physician.

Thank You,

The Members of Norwin Lodge #2313 B.P.O.E.
